1940's add It was in memory lane neighborhood and made it's way to interstate 37 - Feb 1987 EN Article

slight adjustment to address // most recent reference 2022 article
don't have suite number

found articles discussing "edge of town" around bandera area. Need to clarify if this a actual establishment or general area.
Difficult find

found zip code no specific address

Unsure about zip code address is correct

this addre: alternative address for: 4910 S Flores St, San Antonio, TX 78214 (R&J Saloon)
Difficult find

Attached to trinity university

before change this was included: "and Military Road"

used to be a voting site in 1972 and they used this address...

this address was found by a MySA article published in 2010 for a bar named Sneak...

This is a church found in Saint Hedwig city

This place either doesnt exist anymore or is not based in San Antonio
unsure if this is a real place ever at all in SA

Found the zip for Wurbach but tried to research establishment and it doesnt exist...further research needed
Found address on google search

Culebra rd.
Is saddler a real person?
